About the country of dragons

warriors of dragons

the warriors of dragons is the official clan of the country of dragons. The Lamura family take leader place in the clan. now Itami Lamura is the leadership. and they are

famous and powerful clan in the world. but not now because of our Itami Lamura. He is a careless Guy. He didn't have interest in being a leader in the clan. His Uncle Intmish Lamura will manage all. and he is a bad guy. there are 4 dragons in that 2 is main. the Loksmi and Draghi. These both are aged 1000-1500 years. They are very powerful. but now they are very weak so they need the stones. the country of dragons and country of stones discuss about this but country of stones didn't accept that. So the Intmish Lamura is trying to steal the stones.

the WOD arranged a meeting with all countries for announcing the war but Hunzhou not come

Actually hunzhou is lazy boy

The Lamura and his team reached the village of stones

the war begins

the war began and Intmish said have a nice day and started to fight. The both fighting with their power. In The GOS there are 4 are in the battle ground and two are in the temple of stones where the stones are kept. Huznhou taked portal stone and Jack taked time stone another 4 are in the temple of stones. The war is getting serious.because of some fear haznhou send the jack to take the stones and timtravel to 22nd CE
